

N1 Which posts mark a section of a road with an increased risk of glazed frost?

a/
b/
c/

211006

N2 The cyclist is showing that he wants to change direction of his riding because he wants to leave the cycle lane and enter a thru lane.

© Asociace autoškol ČR 2021

Financováno z fondu zábrany říkají ČKP

a/ A driver driving in the next lane need not allow him to make this maneuver; this maneuver is changing one driving lane for another and the cyclist must not endanger or limit drivers driving in the lane, into which he wants to join.

b/ A driver driving in the next lane need not allow him to make this maneuver, provided he does not endanger him.

c/ A driver driving in the next lane must allow him to make this maneuver by slowing down, or even stopping, if necessary.

211013

N3 This traffic sign marks:

a/ a paid parking place with a parking meter.

b/ a parking place where a driver must display in his car window a parking disc showing the time when the car was parked.

c/ a parking place at a roundabout.

211016

N4 This sign:

a/ informs other drivers that the vehicle is driven by a beginner driver.

b/ marks a luggage compartment of a public transport vehicle.

c/ notifies about a duty to mark a vehicle with a warning triangle.

211020

N5 Into an area behind these traffic signs:

a/ it is possible to enter for the purpose of parking.

b/ it is possible to enter for the purpose of taking a shortcut.

c/ an entry is prohibited.

211031

N6 A driver when passing a marked obstacle to traffic:

a/ must not limit a cyclist riding in a cycle lane.

b/ is allowed to limit a cyclist riding in a cycle lane.

211041

N7 At this intersection the driver behind the wheel:

© Asociace autoškol ČR 2021

Financováno z fondu zábrany škod ČKP

a/ is allowed to turn right but he must give way to vehicles, riders on animals and a formation of pedestrians moving in a free direction (with the signal "Go").

b/ need not follow traffic lights when turning right, as the portable vertical traffic sign "Works on road" that informs about a defect of traffic lights is superior to the lights.

c/ is informed by the supplementary green arrow that the vehicles coming from the right have the right of way.

211046

N8 The driver behind the wheel wants to turn right at this intersection. In this situation:

© Asociace autoškol ČR 2021

Financováno z fondu zábrany škod ČKP

a/ the driver must not limit a cyclist riding across the road on a crossing for cyclists.

b/ the driver must not endanger a cyclist riding across the road on a crossing for cyclists.

211047

N9 Is a driver of a motor vehicle, who is not a holder of a valid permit allowing him to park within the given area, allowed to park behind this traffic sign on Saturday at noon?

© Asociace autoškol ČR 2021

Financováno z fondu zábrany škod ČKP

a/ Yes, if he pays a parking fee.

b/ No.

c/ Yes, for free.

211053

N10 The driver behind the wheel wants to turn left. Does he have to give way to the tram?

© Asociace autoškol ČR 2021

Financováno z fondu zábrany škod ČKP

- a/ Yes
- b/ No

211057

N11 A road technical check means, among others, a check of a technical condition of a vehicle. A driver of a motor vehicle has to:

© Asociace autoškol ČR 2021

Financováno z fondu zábrany škod ČKP

- a/ upon an instruction of a policeman let his vehicle go through a road technical check, only if one year has passed since a regular technical check of his vehicle.

b/ upon an instruction of a policeman let his vehicle go through a road technical check.

- c/ upon an instruction of a policeman let his vehicle go through a road technical check in the event that the vehicle appears to have a dangerous defect.

211062

N12 This traffic sign:

© Asociace autoškol ČR 2021

Financováno z fondu zábrany škod ČKP

- a/ orders a driver to give way to oncoming cars.**

b/ informs a driver about his right of way before oncoming cars.

- c/ prohibits an entry of more than 2 cars in one direction of driving.

211068

N13 The driver behind the wheel turning left at this intersection:

© Asociace autoškol ČR 2021

Financováno z fondu zábrany škod ČKP

a/ must give way to cars coming from the right, but he is no obligated to adjust his speed to the conditions that can be anticipated.

b/ must give way to cars coming from the right and adjust his speed to the conditions that can be anticipated, mainly a skid on a snow-covered road and a frost on the bridge.

c/ has the right of way before other cars and he must adjust his speed to the conditions that can be anticipated, mainly a skid on a snow-covered road and a frost on the bridge. 211069

N14 The driver behind the wheel turning left at this intersection:

© Asociace autoškol ČR 2021

Financováno z fondu zábrany škod ČKP

a/ he has priority before other cars and he is not obligated to indicate that he is turning left as he is going through this intersection on the main road; he must adjust his speed to the conditions that can be anticipated, mainly the risk of a skid on a snow-covered road.

b/ he has priority before other cars; he must adjust his speed to the conditions that can be anticipated, mainly the risk of a skid on a snow-covered road. He indicates that he is turning left.

c/ he must give way to oncoming cars and he must adjust his speed to the conditions that can be anticipated, mainly the risk of a skid on a snow-covered road. 211070

N15 What is the speed limit in a town for a driver of a passenger car after this information zone traffic sign?

© Asociace autoškol ČR 2021

Financováno z fondu zábrany škod ČKP

a/ 80 km/h.

b/ 100 km/h.

c/ 50 km/h.

211072

N16 What is the meaning of this horizontal traffic sign?

a/ A crossing for cyclists.

b/ A space for cyclists waiting for the light signal “Go”.

c/ A lane or a path for cyclists.

211083

N17 Who is allowed to line up in the reserved space for cyclists at an intersection regulated by traffic lights?

© Asociace autoškol ČR 2021

Financováno z fondu zábrany škod ČKP

a/ Teams of horses and cyclists.

b/ Riders on motorbikes and cyclists.

c/ Cyclists.

211084

N19 What is the meaning of this horizontal traffic sign?

- a/ A space for cyclists.
- b/ A pictogram corridor for cyclists.
- c/ A cycle lane.**

211085

N19 In a section of the road after this vertical traffic sign as a driver of a motor vehicle:

- a/ you are allowed to stop in a cycle lane for a period necessary for passengers to get off or on, or for an immediate loading or unloading of a load.
- b/ you are allowed to stop and wait in the cycle lane.
- c/ you must not stop and wait in the cycle lane.**

211092

N20 A driver of this passenger car turning left in this situation:

- a/ must give way only to the oncoming tram.
- b/ has priority before trams coming from both directions.
- c/ must give way to trams coming from both directions.**

211100

N21 A driver in this situation:

© Asociace autoškol ČR 2021

Financováno z fondu zábrany škod ČKP

a/ is allowed to go through this intersection.

b/ must stop his car at a spot from where he has a good view round the intersection.

c/ must stop his car before the stop line.

211102

N22 A driver wants to continue to drive on the main road.

© Asociace autoškol ČR 2021

Financováno z fondu zábrany škod ČKP

a/ He must indicate that he is going to turn left.

b/ He must indicate that he is going to turn right.

c/ He need not indicate that he is changing direction of driving.

211104

N23 In this situation a driver must:

© Asociace autoškol ČR 2021

Financováno z fondu zábrany škod ČKP

a/ turn right and he has the right of way before cars coming from the left.

b/ turn left and he has the right of way before cars coming from the right.

c/ turn left and he must give way to cars coming from the right.

211109

N24 In this situation a driver:

- a/ is allowed to wait on the right side.
b/ is allowed to stop on the right side.
c/ is not allowed to either stop or wait on the right side.

211111

N25 In this situation a driver is obligated:

- a/ to watch only the pedestrian crossing; cars coming from the right must give him the way.
b/ to turn right.
c/ to watch the pedestrian crossing and cars coming from the right as he must give them the way.

211112

N26 Is the driver allowed to stop his car at a pedestrian crossing so that to have a good view round this intersection?

- a/ Yes**
b/ No

211114

N27 The driver behind the wheel wants to turn left. In what order will the vehicles cross this intersection?

a/ The driver goes first, then the tram.

b/ The tram goes first, then the driver.

c/ Both vehicles go at the same time.

211118

N28 After this traffic sign as a driver of a motor vehicle you may meet:

a/ oncoming cyclists, to whom you must give way.

b/ cyclists coming from the opposite direction pushing their bicycles.

c/ oncoming cyclists, whom you must not endanger.

211123

N29 As a driver of a motor vehicle what should you expect at places marked with this horizontal traffic sign?

a/ A crossing for cyclists ahead.

b/ Many cyclists.

c/ A space for cyclists waiting for the light signal "Go" ahead.

211124

N30 What does this instructive direction table mean?

a/ A direction table informing cyclists about the number of a cycle way.

b/ A traffic sign marking a path for cyclists.

c/ Direction table marking a cycle lane and its number.

211133

N31 You are allowed to enter a section of the road after this traffic sign as a driver of a motor vehicle with the maximum permitted weight not exceeding 3500 kg only if you use winter tires with depth of tread of at least

- a/ 4 mm in a period from 1 November to 31 March.
b/ 4 mm without regard the date and current or expected weather conditions.
c/ 2 mm without regard the date and current or expected weather conditions. 211139

N32 What is the prescribed minimum depth of tread of a vehicle up to a total weight of 3500 kg after this traffic sign?

- a/ 4 mm without regard the date and current or expected weather conditions.**
b/ 4 mm in a period from 1 November to 31 March.
c/ 1.6 mm in a period from 1 April to 31 October. 211160

N33/ An applicant for a driving license may drive a motor vehicle of the group for which he/she is applying:

- a/ under the supervision of a driving school teacher.**
b/ under the supervision of a person with at least five years' driving experience.
c/ under the supervision of a parent or legal representative.

N34/ Validity of zonal traffic signs:

- a/ is terminated at the nearest intersection.
b/ is terminated by a traffic sign indicating its end, unless specified otherwise.
c/ ends after 100 m from the signs.

N35/ The driver is allowed to make a U turn:

- a/ at an intersection at which traffic is regulated by traffic signs.**
b/ at a crossing for cyclists.
c/ at an intersection where traffic is regulated by traffic lights.

N36/ Is the driver of this vehicle permitted to make a U turn across a tram lane?

- a/ YES**
b/ NO

N37/ The driver of this vehicle at this intersection is allowed:

©Asociace autoškol ČR 2021

Financováno z fondu zábrany škod ČKP

- a/ to turn right.
- b/ to turn left, or drive in a straight direction.**
- c/ turn both right and left.

N38/ The driver of this vehicle:

©Asociace autoškol ČR 2021

Financováno z fondu zábrany škod ČKP

- a/ must not pass the bus; he shall stop behind it and wait for it to leave the bus stop.**
- b/ will pass the bus at the stop.
- c/ brakes rules by passing the bus on the tram lane.

N39/ Delineator post in the picture:

©Asociace autoškol ČR 2021

Financováno z fondu zábrany škod ČKP

- a/ marks the edge of the road.
- b/ indicates a place where a special purpose road joins another road.**
- c/ is used in directing traffic and to emphasize the longitudinal solid line of a horizontal road marking.

N40/ A driver of this passenger car at the nearest intersection:

©Asociace autoškol ČR 2021

Financováno z fondu zábrany škod ČKP

- a/ must not turn right.
- b/ may turn right.**
- c/ must turn right.

N41/ What will you do as the driver of this vehicle at the next intersection?

©Asociace autoškol ČR 2021

Financováno z fondu zábrany škod ČKP

a/ I will give way to vehicles on the main road only.

b/ I will give way to a red vehicle on my right.

c/ I have the right of way over a red vehicle because there is a "Stop, Give Way" sign on the minor road on the right!

N42/ What will you do at this intersection, as the driver of this vehicle that is turning left?

©Asociace autoškol ČR 2021

Financováno z fondu zábrany škod ČKP

a/ I give way to vehicles on the main road and then turn left before the oncoming blue vehicle.

b/ I will be the last one to go through this intersection.

c/ I give way to the vehicles on the main road as well as the oncoming blue vehicle.

N43/ This road sign:

©Asociace autoškol ČR 2021

Financováno z fondu zábrany škod ČKP

a/ indicates the obligation to give way to vehicles on the main road.

b/ instructs the driver to give way to vehicles approaching from the right.

c/ does not exist.

N44/ Last night you were at a party with friends and you drank six 12 degree beers (6 x 0.5 liters) and 5 large shots (5 x 40ml) of hard alcohol. Can you safely drive next morning at 5:00 am after a hearty breakfast and a cold shower?

a/ No

b/ Yes

N45/ Driver of this vehicle:

©Asociace autoškol ČR 2021

Financováno z fondu zábrany škod ČKP

- a/ brakes rules by passing the bus in the tram lane.
- b/ must not pass the bus; he will stop behind it and wait for it to leave the stop.
- c/ must anticipate a pedestrian unexpectedly running into the roadway at the bus stop.**

N46/ From the spot of the traffic signs shown, the following applies:

©Asociace autoškol ČR 2021

Financováno z fondu zábrany škod ČKP

- a/ a driver may drive at a maximum speed of 100 km/h, as there are works on road after 1000 m.**
- b/ a driver may drive at a maximum speed of 110 km/h until the point where there are works on road.

N47/ A yellow traffic light in a shape of a pedestrian means for this driver that:

©Asociace autoškol ČR 2021

Financováno z fondu zábrany škod ČKP

- a/ if proceeding straight ahead he must allow the pedestrian depicted to cross the pedestrian crossing.
- b/ he can turn freely and safely, as pedestrians must not enter the road at that signal.
- c/ when turning right, he will cross the direction of crossing pedestrians.**

N48/ Is a driver allowed to enter the area marked by the horizontal traffic sign “Yellow crossed lines” if the traffic situation beyond this area does not allow him to continue driving?

a/ No.

b/ Yes.

c/ Yes, as long as it does not impede driving of other vehicles.

N49/ How can the validity of a vertical traffic sign B 20a "Maximum speed limit" be terminated?

©Asociace autoškol ČR 2021

Financováno z fondu zábrany škod ČKP

a/ by the nearest intersection.

b/ by an exit of a field or forest road.

c/ after a distance of 80 m.

N50/ A driver driving on a road marked with this traffic sign outside a municipality is allowed to drive at a maximum speed of:

©Asociace autoškol ČR 2021

Financováno z fondu zábrany škod ČKP

a/ 90 km/h.

b/ 130 km/h.

c/ 110 km/h.

N51 A driver driving on a highway, on a section which passes through a municipality, may drive at a maximum speed of:

©Asociace autoškol ČR 2021

Financováno z fondu zábrany škod ČKP

a/ 80 km/h.

b/ 50 km/h.

c/ 130 km/h.

N52 What is the speed limit after crossing this intersection straight ahead?

©Asociace autoškol ČR 2021

Financováno z fondu zábrany škod ČKP

- a/ 50 km/h.
- b/ 30 km/h.
- c/ 20 km/h.**

N53 In this traffic situation, the driver of a passenger car going straight ahead:

©Asociace autoškol ČR 2021

Financováno z fondu zábrany škod ČKP

- a/ will go at the same time as a tram.
- b/ has the right of way over the tram.**
- c/ must give way to the tram.

N54 The driver of this vehicle intends to turn left. In what order will the vehicles pass through this intersection?

©Asociace autoškol ČR 2021

Financováno z fondu zábrany škod ČKP

- a/ The tram will pass first, followed by this vehicle.**
- b/ The tram and this vehicle will pass at the same time.
- c/ This vehicle will pass first, followed by the tram.

N55 At the nearest intersection, a driver of this passenger vehicle:

©Asociace autoškol ČR 2021

Financováno z fondu zábrany škod ČKP

- a/ must turn left.
- b/ must not turn right.**
- c/ may turn right.

N56 The driver of this vehicle:

©Asociace autoškol ČR 2021

Financováno z fondu zábrany škod ČKP

- a/ is not allowed to make a U turn across the tram lane.**

b/ is allowed to make a U turn across the tram lane; in doing so, he must give way only to trams travelling in the same direction.

c/ is allowed to make a U turn across the tram lane; in doing so, he must give way to trams travelling in both directions and to oncoming vehicles.

N57 This traffic situation draws the driver's attention to:

©Asociace autoškol ČR 2021

Financováno z fondu zábrany škod ČKP

- a/ the possibility of only pedestrians crossing the road.
- b/ the possibility of both pedestrians and cyclists crossing the road.**
- c/ the possibility of only cyclists crossing the road.

N58 As a driver of a motor vehicle, in winter before setting off you must clear the vehicle of dirt, snow and frost that:

- a/ obstruct the driver's view forward and to the sides.
- b/ obstruct the driver's view forward, backward and to the sides.**
- c/ obstruct the driver's view forward and backward.

N59 A driver of the vehicle in the picture:

©Asociace autoškol ČR 2021

Financováno z fondu zábrany škod ČKP

a/ may use this vehicle in road traffic but only in good visibility.

b/ is committing an offence because the registration plate on the rear of the vehicle is covered.

N60 A validity of a portable traffic sign “Maximum speed limit” placed on a vehicle to indicate a moving workplace consisting of a slow-moving vehicle or a group of vehicles shall be terminated:

©Asociace autoškol ČR 2021

Financováno z fondu zábrany škod ČKP

a/ by a vertical portable traffic sign “End of maximum speed limit”, or “End of all prohibitions”, or an intersection.

b/ after 300 m in the direction of travel behind that vehicle or behind the last vehicle of the group if a group of vehicles is involved.

c/ after 100 m in the direction of travel behind this vehicle or behind the last vehicle of the group if a group of vehicles is involved.

N61 What shall I do as a driver of this passenger vehicle if I am driving on the right-hand side of the road:

©Asociace autoškol ČR 2021

Financováno z fondu zábrany škod ČKP

a/ I will indicate a change of direction of driving and pass the parked vehicles at a safe side distance.

b/ I will continue without changing direction, I can fit between the parked vehicle and the broken line, so I do not need to signal a change of direction.

c/ I will indicate a change of direction only if I cross the broken line.

N62 A person at a pedestrian crossing with a stick with white and red stripes:

©Asociace autoškol ČR 2021

Financováno z fondu zábrany škod ČKP

- a/ is a person with a leg injury.
- b/ is a person who is deaf-blind.**
- c/ is a person who is blind.

V1 What is the biggest risk in this animation?

- a/ A van coming on a minor road.
- b/ A lady crossing the road.
- c/ A cyclist.**

219001

V2 Who has priority in this traffic situation?

- a/ An oncoming tractor.
- b/ A driver behind the wheel.
- c/ A car in the left driving lane.**

219002

V3 What traffic rules we must obey in this traffic situation?

- a/ Keep the speed limit of 30 km/h.
b/ Act very carefully towards other road users and give way to all road users when leaving the residential zone.
c/ Give way to all reversing cars, children playing on the road and dogs on leash; keeping the speed of 25 km/h at the maximum.

219003

V4 - The driver of a motor vehicle in this traffic situation:

- A/ could turn right, but he must not endanger or restrict vehicles going in the reserved driving lane.**
B/ could turn right without regard to vehicles going in the reserved driving lane, which vehicles must not endanger and restrict vehicles turning from the through lane.
C/broke the rules of the road traffic by turning across the reserved lane.

V5 - In the traffic situation shown, the driver:

- A/ can see pedestrians better as they are required to wear reflective materials when walking within a municipality.
B/ must be aware of the risk of poorly visible pedestrians who are moving without reflective elements, which elements the pedestrians within a municipality are not required to wear.
C/ must use high beam lights at all times when passing pedestrians moving on the road who do not use clothing and equipment made of reflective materials.

V6: As a driver of this car:

© Asociace autoškol ČR 2021

Financováno z fondu zábrany škod ČKP

A/ driving on a main road, I do not have to react to an imminent risk of collision, other road users are obligated to avert an imminent risk of collision that I did not cause.

B/ while driving on a main road I am not obligated to follow other road users.

C/ I have a duty to watch the traffic situation so that, if necessary, I can react in time to avert an imminent risk of collision even though I am on a main road.

N63 This vertical traffic sign informs drivers about:

©Asociace autoškol ČR 2021

Financováno z fondu zábrany škod ČKP

- a/ dangerous descent.
- b/ dangerous ascent.**
- c/ a section of a road where local conditions make the descent of the road dangerous.

N64 This vertical traffic sign informs drivers about:

©Asociace autoškol ČR 2021

Financováno z fondu zábrany škod ČKP

- a/ a cycle track.
- b/ a children's traffic playground.
- c/ an increased presence of cyclists.**

N65 Is a driver allowed to turn left across this horizontal traffic sign to enter the parking lot by a department store?

©Asociace autoškol ČR 2021

Financováno z fondu zábrany škod ČKP

- a/ YES**
- b/ NO**

N66 Is a driver allowed to turn left across this horizontal traffic sign to enter a garage of a family house?

©Asociace autoškol ČR 2021

Financováno z fondu zábrany škod ČKP

a/ YES

b/ NO

N67 A driver of this vehicle:

©Asociace autoškol ČR 2021

Financováno z fondu zábrany škod ČKP

a/ has the right of way over the vehicles driving on the roundabout.

b/ must give way to vehicles driving on the roundabout.

N68 The driver of a red vehicle driving on a roundabout:

©Asociace autoškol ČR 2021

Financováno z fondu zábrany škod ČKP

a/ must give way to vehicles entering the roundabout.

b/ on the roundabout he has the right of way.

c/ must stop and give way to vehicles entering the roundabout.

N69 Is a "person over 10 years of age riding a scooter" allowed to cross a pedestrian crossing:

©Asociace autoškol ČR 2021

Financováno z fondu zábrany škod ČKP

a/ NO, the rules for riding a bicycle apply on such person.

b/ YES, the rules for pedestrians apply on such person.

N70 How will the driver of this vehicle turning right react?

©Asociace autoškol ČR 2021

Financováno z fondu zábrany Škod CKP

a/ He must not endanger a pedestrian crossing the road and take extra care towards a person with reduced orientation skills.

b/ He does not have to take special care of that person because he is not at a pedestrian crossing.
